

~~L=A=N=G=U=A=G=E~~ DISTRIBUTING SERVICE

*Even when published, writing we wish to read often goes out of print with dismaying rapidity--closing off a dialogue. Out-of-print and unpublished works may still circulate among a limited circle of friends. Here, we hope to sustain that dialogue, and expand that circle.*

*Several types of material are available. Photocopies of out-of-print books and unpublished manuscripts are available at the cost of the photocopying and packaging plus a twenty-five cent royalty to the author. These works will be sent side-stapled with card stock covers, stamped by ~~L=A=N=G=U=A=G=E~~ and numbered. In a few cases, a small number of books are available in their original published form at the price specified. All orders must be prepaid and include the cost of postage (see table below).*
