NIJOLE'S HOUSE

Hannah Weiner

Potes & Poets Press - 1981

Needham, Massachusetts

All the words in this book were seen by Hannah Weiner first on her forehead - she sees them from within - in very small script, in several word lines, as indicated by the line breaks. These words appear in the text in upper and lower case. The words printed in the text as capitals were seen on her forehead as larger script VERY BIG WORDS or were seen on the page in big print interrupting the line that she was then writing down. Some words appeared in color, some in light, some in pencil line. This process is similar to that used in writing the CLAIRVOYANT JOURNAL and LITTLE BOOKS/INDIANS, though there are some WILD variations.

ALL WORDS BELIEVE IT SEEN

I ams a clairvoyant

Nijole's House

Part I

MOTHER'S BIRTHDAY

Think How Hard it Is
for a 79 year old woman
who has spent her life ATS HOME
in service

we must regenerate
donst speak to it PRAYER
silently

we both obey OUR KNOWLEDGE
REKA HURTS because she
can't help me when I'm
MOTHER CAN in trouble
Nijole must speak silently
at the last FRIDAY

Mother Speaks

I can swim only in the
afternoon

Sis why write it in
BECAUSE I CAN SPEAK
SILENCE

Hannah it's a very hard job to
do isn't it

JUST CONTROL IT MORE

I must be in trouble sometimes
Make it Hard

HANDLE IT THURSDAY

I HANDLED IT IN MY SILENCE
LIKE LEONARD STUPID
well it feels different written
this must be our last page

Hannah we must handle it in our whiskey style
I must separate myself VICTIMS
from Nijole's mother
I CAN SPEAK

Then we hold ourselves together a lot
SPEAK IN SILENCE

And you get answered both ways
UNTIL NEXT AUGUST

It's just that Leonard seldom speaks
directly to us UNLESS ITS MIRACLES
thens we both agree outloud

I means in silence
someone types this

I must speak silently at the last
sister

I MUST BE JAMES
AND BE CLEVER

NEXT AUGUST HURTS

WE ARE ALONE

Handle me Directly
He wont be alive next year either
that takes a chance
if you're a poor writer speak it is
allowed
wrong cheats
Hannah Satchidananda would
speak to us privately of course
if we believe in it

Just for the pleasure it is written it in
We speak Thursday as always

Hannah hints
Because we are speaking

adds Jimmie Durham
who lives in NY & pretends
he doesn't

I was spoken to in English very

was young INCLUDE GURUS HERE
who speaks of the power

THIS IS PAGE EIGHT

besides Means
Hannah it changes things just a little
for us IF WE FORGIVE LETS IT BE

and we believe it
It is an honor to be with them

THEM CROW DOGS

Speak to us sister silently

(Hannahs they would love it that way dont correct)
UNTILS WE ARE SILENT

We must speak to our men silently
Because we are the INDIANS

PAGE EIGHT AGREES

A Columbia University psychiatrist is
supposed to be written in it us HIDE HIM
thas a guru speaking CLEARLY stupid
stop nonsense this
because it ends

we could write all night and be
forgotten it is It is very important
to speak in English BOY IS THIS A PAD
save your pages AND WRITTEN IT IN
PLEASE STOP PERIOD if we agree
it is much clearer here than DONT PRETEND
in the city Nijole's house is ours
until Thursday when we must leave
with instructions NO WEEKEND IT SAYS
Just keep the kitchen clean
Hannah it page eight agrees
Holds Itself in Silence for Means
Hannah it is Mean's theory
that we hold ourselves in silence
DONST SPEAK we have the power
under control too we dedicated it
TO OUR PEOPLE WHO SPEAKS
Among the S I S T E R S
only white people hurt us
by remaining silent UNTIL
OURS IS THE LAND

WE MUST BE CLEAR ABOUT
THE LAND

ITS OURS

we mustn't cross reference this
index

THE LAND IS OURS

Hannah writes all night because
she was in South Dakota WITH MEANS
at LEONARDS and we place ourselves
amongst the gurus

fors Indians only
we must be dedicated SPLIT THE BEANS
to it Hannah it is Means October
speaking in our own land sometime
we may gladly be forgiven it to us
we were here first And we speak to it
I may visit Trungpa occasionally
LET HIM IN Hannah thats Means

INDIANS

who have spoken to us in this century
I also add Bill Means who is my
brother
Hannah we have rights to our land
this page speaks

Hannah if we had a calcium pill
MOTHER HAS we could sleep
occasionally STEAL THIS PAD
Hannah the land is ours to be forgiven
to it THATS MEANS ALOUD
Hannah we have occasionally
cigarettes at our side RUSSELL
MUST SPEAK BEFORE THE LAND
IS OURS Hannah it is important to
written to it

CROW DOGS PARADISE is it
only we lost it at the next election
Leonard can speak in his silence stupid
and control it

WITH MEANS
Hannah we are still wasted paper
with our Indian friends in 1984
dont forgotten it is STOP SPEAKING

WE ARE MEANS

Nijole's House

Part II

Hannah you have no idea how
it is grandmas house with us
for centuries we hide
our power
because the white man hasn't learned
it yet continued sentence please
I work for three men
who are boyfriends
ins a name sort of
It meant Means to me
only Leonard teaches fast
he works like kindly old man
Satchidananda stupid
he proves it by the pipe
who smokes it
nots me except at Sundance Time
remember Oscar's Pipe
he carried it on the Long Walk
the elders walked in
Hannah I saw the pipe then
and Oscar remembered it
and smoked it with me
the last night
speak silly
I saw the camp the leaders
the dont mention tribes Apaches
are still guarding their land
they work

the men
boy are you surprised at
yourself tonight
I had a vision with the pipe
I am speaking slowly
speak of the pipe
you must turn the bowl correctly

Speak of the stem
very long pull hard
and take three puffs
Hannah often leaves
in difficult situations
so as not to be white among the men
Hannah that tells a story
written in history
Leonard never speaks aloud to us
dont cry about it
some white people are offended
passed in silence three times
boy are you a jerk
tell them straight
he laughs always except
with piercing
he is not laughing at us
he is a simple man
with plenty of high people
around him
so I taught him principles
shut it up sister herself

make sure he knows it
Hannah its the hardest way
they laugh
dont smoke with Sundancers
they are strict
it isn't always the same either
Leonard gives people hell
Hannah it was not quite simple
Hannah he is kidding you
about being white
Hannah they know you have some power
almighty asterisk *

MAKE IT THURSDAY

We have just awakened to our
second reality GIVE UP TOOTS
silence among the gurus
thats the teacher's method ENOUGH
so it is the same everywhere else
except in America
where they hold the land for us
or can't survive
this is the teaching sacred
we must have our knowledge
and SIS STOP obey the
leader who is learning itself
so we pass on knowledge
without effort
we can transfer the mind
sitting still AND WE HIDE

and we hide still
until reservations are holy
sacred territory THATS THE LAND
Crazy Horse
I wondered it
I told a tale exempt from
instructions
this is still at Nijole's house
where it is important to be
because it is Means
Hannah stop
it is forgiven to be the day
as I write enough
they laugh at it
Leonard must steal or starve his
people WHICH ARTIST KNOWS IT
Hannah consider yourself an artist
two lines lost stupid ol dearest

WHICH IS THURSDAY

Spell out the history
Nijole's house
Hannah we write a very long book in one week
Nijole projects on us we waste an hour
THAT CHEATS
the Indians know they were wild men once
and loved it every minute
except when the rains came
it's a big mystery to us why Mary
didn't write me a poem

we surprise Leonard
welcome home to us
Mary has a baby to carry in her arms
cheats all day
Hannah this novel is quite a surprise
to us I hope it ends Thursday
before the rain
Hannah if you like him hold
him dear to you
Jimmie Durham's not quite dead
quite a little squabble over which head
same line indicates brevity and
no stores untill Saturday
Hannah Nijole is quite surprised at us
because we sit silently on orders
sit silently for when
when it is time
hungry and no beans
it is our own house next we
live in

Hannah if I had any power
I would have one long dream
& write it in
I still have one bad dream
each night
make sure you're alive
I had bad Bill Means last night
and tonight I'm alone

if I were with OPEN THAT DOOR
a man I'd
dream of him of course
SILLY BILL MEANS
IS ANGRY AT US
FOR TEMPTING LEONARD
to show off with his baby
I just can't end this sentence
structure before Bruce begins it

Be Sure You're Alive
despite Leonard's theories
that he may die young
in a silly fight

OVERCOAT

If we like Bill Means better
we'd like him better
not frightened of us too stupid
boy is this a sure fire hit a
movie or something

MAKE IT CLEAR

It's about same name and Bill Means

I'M SILLY
